The purpose of Terror for a Cause is to operate a haunted house attraction for the enjoyment of the community while raising funds for charitable causes, fostering local creativity, and promoting community engagement.

Terror for a Cause is a nonprofit organization dedicated to creating thrilling haunted experiences while giving back to our community. Each year, we design an immersive and spine-chilling event with a new theme, bringing people together for frightful fun. As a non-profit, we are dedicated to channeling the excitement of the Halloween season into meaningful support for local community organizations and programs. By working with community businesses and volunteers, we aim to boost the local economy, strengthen connections, and make a difference—one scream at a time.
